About company

PT. Eufrat Med is a company primarily engaged in the distribution of hospital and medical specialist supplies as a healthcare provider. Established on June 1, 2011, in Tangerang, it was officially legalized by the **Minister of Law and Human Rights of the Republic of Indonesia** under registration number **AHU-32071.AH.01.01-2011**. Additionally, it holds a permit for the distribution of medical equipment issued by the **Ministry of Health** under **No. HK.07.Aikes/IV/344/AK.2/JDY**.

Initially, in 2011, **PT. Eufrat Med** operated as a distributor of medical devices, specializing in orthopedic surgery and sports medicine, as well as the repair and rental of endoscopy/arthroscopy systems. Over time, we have expanded our services to provide the latest technology in the field of Ear, Nose, and Throat (ENT) surgery, along with hospital supplies, through collaborations with reputable companies.

About company

PT. Euftrat Med is a medical and surgical equipment distributor committed to providing high-quality medical products to hospitals and its partners across Indonesia. With experience and expertise in the healthcare industry, we offer innovative, safe solutions that comply with standard procedures.

We understand that in the medical field, quality and precision are of utmost importance. That is why we only supply products from trusted manufacturers that have been tested for effectiveness and safety. From surgical instruments to implant materials, we ensure that every product we distribute supports medical professionals in delivering the best care for patients.

About company

With a wide distribution network, responsive customer service, and a commitment to customer satisfaction, **PT. Euftrat Med** is ready to be a trusted partner in providing the best medical equipment. We believe that by offering high-quality products, we contribute to improving healthcare service standards in Indonesia.

We are always ready to assist you in meeting your medical equipment needs with the right and efficient solutions. Let's work together to create better healthcare services for the future.

We always meet the needs and improve service to customers and can be a top choice of consumers by constantly providing.
